

We are a non-profit group of O-Gauge Model Railroaders. We have built an Interactive Modular Layout that we take to community events throughout the year.

Every module has push-buttons which allow spectators to operate various model railroad accessories such as crossing gates, beacon towers, whistles, and other animated structures.

For ten years we participated in the annual ten-day Festival of Trees at the World Congress Center. Our magnificent 20' x 40' layout was one of the highlights of the Festival, which raised funds for Children's Healthcare of Atlanta.

If you would like to have us be a part of your non-profit event, contact

Phil Denslow at philkd@aol.com

*The NGTT Club Layout at the 2012 TCA National Convention at Cobb Co. Waverly Hotel.*

**Be sure to visit our website,  
[www.ngtt.org](http://www.ngtt.org)**

See lots of photos from past events, a page of links to hobby-related sites, videos of our layout, and our club's event calendar.

*The NGTT Club Layout at the Boy Scout Show at Gwinnett Co. Fairgrounds.*

**We are always looking to add new members to our club!**

Membership in the NGTT is open to "kids of all ages." It is a great club for the seasoned railroader as well as the new hobbyist.

You do not need to have your own layout. You can bring a train and run it on the club layout. If you want to bring accessories, we will supply a table and help you wire them up.

We have members throughout North Georgia. You can choose which activities to help with. The more members we have, the more enjoyable it is for all of us!

The club has one business meeting a year and a few maintenance meetings to prepare for major events. Our club has elected officers and an experienced member coordinates each event or activity

Our dues are \$35 per year for those 18 and over, \$20 per year for younger members.

Give us your contact information below and join the fun!
